

Scouting for Food Troop 224 and Pack 224

Our scouts will be collecting bags of food in the neighborhood off Pine Knob Road. We need and welcome lots of scout and adult help. We will need your assistance on two Saturday mornings for about 1-2 hours, depending upon how many volunteers we have. Several adults will also be needed to drive the boys through the neighborhoods to give out the bags, and return the bags the following week to Carrolltowne Mall. We will meet at the American Legion Hall at 9:00 am on both dates. **All scouts need to wear their uniforms on both dates.** On the first Saturday, boys will call their parents when finished to arrange to make pick-up or drop-off arrangements. On the second Saturday, all scouts should be picked up at Carrolltowne Mall. Service hours for community service or scout advancement are available. Let's do our part to feed the hungry!
