

Antietam Illumination

December 5-6, 2009

Saturday & Sunday

WHO: Anyone who wants to experience a moving Patriotic Event.

WHAT: Placement of Illuminations on Saturday, and removal from the field on Sunday.

WHERE: Antietam Battlefield, in Sharpsburg, MD

WHEN: We will be **leaving** from the legion at 7:00 AM on **Saturday**, the 5th of December & will arrive at the battlefield to set up the Illuminations. We will sit up camp that afternoon & return to light the Illuminations in the evening. We will tour the battlefield by car in the evening and then camp over on Saturday night. On Sunday we will remove the Illuminations & return by Sunday afternoon.

WHY: Over 23,000 Soldiers were killed, wounded, or missing in Antietam and this is a significant commemoration to the soldiers.

Please have appropriate winter clothing-it will be cold out on the battlefield! A long disposable lighter and cutters for the wick of the candle are helpful to prevent the bags from catching fire.

The patrols will be providing their own food. Along with a parent's signed permission, a fee of \$5.00 is required

-----Cut and give to Nathan Koenigsmark-----
